Huntington Beach Fishing and Recreation Club

The Huntington Beach Fishing and Recreation Club was founded in 1993 by dedicated fishermen for the advancement of fishing in the area. Working as a group, a difference can be made in our community when it comes to fishing matters.

The Huntington Beach Fishing and Recreation Club also is very active in getting kids interested in fishing by having club members volunteer their time helping in the Fishing Derby, Huck Finn Day at the pier, and setting up kids programs.

The purpose of the club is to promote fishing by encouraging members to participate in fishing and social events, and supplying fishing information and techniques among members, instructing and aiding new members in the art of angling, and working with first time fishermen. We sponsor competition in the area of fishing, and assist and help the youth of our community in fishing functions and experiences.

Social activities such as poker games, darts tournaments, club picnics and group outings are scheduled on a monthly basis.

Meetings are held the 1st Wednesday of every month
at 10 AM at:
Senior Center in Central Park
